# Dura Drive

## PREMIUM ASPHALT SURFACE

When Appearance & Strength Matter

A UNIQUE pavement solution providing years of service for your driveway, trail, athletic court, or patching needs. Formulated to last.

www.commercialasphalt.com

Dura Drive is a premium asphalt surface material that will greatly enhance the duration of your pavement system when constructed properly. Don't leave yours to chance.

### TOUGH SURFACE

Scuff resistant due to crushed, coarse and fine aggregate

# Dura Drive

## PREMIUM ASPHALT SURFACE

Dura Drive has been my mix of choice for driveway construction. It looks great and is easy to work with. Great product that lasts.  
- Driveway Contractor

My new driveway looks spectacular. It is the envy of everyone in the neighborhood thanks to Dura Drive and professional installation.  
- George L. - Plymouth

Commercial Asphalt Co. has been in business for over 40 years and is one of the largest asphalt mix producers in Minnesota. Our MN/DOT certified technical staff has decades of industry experience and knowledge with asphalt mixtures and our production facilities are state of the art. We have developed a finely textured mix that is aesthetically pleasing while offering the stability and durability of public highway pavements.

Enjoy the benefits of a roadway surface in your appearance-sensitive applications.

Every long-lasting pavement is a “system” of critical components such as:

- **Correction of existing soil conditions**
- **Appropriate base construction**
- **Pavement installation**
- **Densification**

# Dura Drive

PREMIUM ASPHALT SURFACE

## Benefits Include:

- **A smooth-looking, consistent surface**
- **Added curb appeal to the home**
- **Scuff resistance due to angular coarse and fine aggregate**
- **Reduction of tenderness in warm weather conditions**
- **Environmentally friendly and eligible for LEED accreditation due to incorporation of recycled asphalt pavement material**
- **More economical than concrete pavements**
- **Less prone to cracking, therefore more weather resistant**
- **Easier hand work when placing**
